## Our Products

### Yankee Peach Rub

Our unique blends of Northern spices combined with real peaches creates a wonderful peach glaze. Whether baked or grilled, the peaches just melt on and around your dishes and the aroma of peaches fill your kitchen. Grilled or baked, chicken or fish is a must.

### Yankee Blueberry Rub

Like some of our other rubs, the blueberry melts on and around your creations creating this wonderful blueberry glaze. This bold flavor works outstanding on all proteins and fish and it really kicks things up with pork.

### Yankee Orange Rub

The real orange pieces melt as they are cooked and create this great orange glaze. Excellent on all proteins and fish. Sprinkle a little on your salad or bake with tilapia.

### Yankee Pineapple Rub

Our unique blends of Northern spices combined with real pineapples creates a wonderful fruity glaze. Excellent on all proteins and fish. Sprinkle a little on your salad or mix in with your baked beans.

### Yankee Cherry Rub

One of our top sellers, our Cherry Rub creates a wonderful glaze during your cooking experience. Excellent on all proteins and fish, but we also recommend sprinkling a little on your popcorn.

### Yankee Apple Rub

We suggest trying this on chicken, turkey, fish, or pork and wait to see the look on your family's faces. Whether its baked pork chops or chicken, Yankee Apple has been a very popular request in our home.
